MEDICAL RELEASE

I certify that the named Camper is physically fit for playing football and other related activities and has my permission to participate in the camp program. In case of an emergency, I understand that every attempt will be made to contact me. If contact is unsuccessful, I authorize the Randolph-Macon College Football Camp Medical Staff to perform immediate medical care, which includes but is not limited to the referral of other appropriate allied health care professionals, for any injury/illness that may occur while this individual is participating in camp activities. Any expense arising from injury is the responsibility of the person signing below.

I hereby authorize the staff of Randolph-Macon College to provide any care or medical treatment as deemed necessary to my minor son,

(Print Name): _____

I understand that the consent & authorization herein granted does not include major surgical procedures and are valid only during camp.

Please list below any medications currently being taken or any allergies and/or medical conditions that might restrict this individual from participating in any camp activities:

If the participant has a medical condition that could require medicine during participation, it is the responsibility of the participant to supply this medicine daily (i.e. Asthma Inhaler).

I, the undersigned parent/guardian, certify that I have ensured that the participant has engaged in a sound nutritional diet which includes both hydration and food consumption, both before and after camp participation.
